Caltrans Seeks Public Feedback on Proposed Yuba County Project

Plans Call for Safety Improvements on State Highway 70 North of Marysville

MARYSVILLE – Caltrans is hosting a community open house on Tuesday, April 11 to discuss plans for roadway safety improvements on State Highway 70 north of Marysville.

The event is scheduled from 5 to 7 p.m. in the Sierra Nevada Room at the Caltrans District 3 Office, 703 B Street, Marysville. Community members can view displays about the project. Caltrans staff members will be available to answer questions and receive comments from the public.

The proposed \$100 million project calls for adding a new 14-foot-wide center two-way turn lane and widening the shoulders on a nine-mile stretch of highway between Laurrellen Road and the South Honcut Creek Bridge at the Yuba-Butte county line. Other improvements include relocating utility poles and roadside ditches away from the highway to improve safety. Construction is estimated to start in summer 2020.

Caltrans District 3 is responsible for maintaining and operating 4,385 lane miles in 11 Sacramento Valley and Northern Sierra counties.
